He or she (we do not know this artist) did just that. And perhaps no one around here would have known about it had not the painter placed his or her work on display at the Turtle Creek Art Gallery.

There Robert Begeman of San Antonio spotted the painting and thought it would be a fine gift for his wife's uncle who lives in Hondo.

The painting now hangs for all to see on the wall of Uncle Harry Filleman at the Hondo Chamber of Commerce. And in the future, it will hang at the Museum for Harry plans on giving the painting to the institution.

It might be boring to some but here goes: "Crowded Yellowstone National Park was well worth a one-time visit but we wouldn't care for a re-run ... the campers, trailers, vans and buses turned into living quarters have taken over the highways. ## County, area in conservation funding study

Medina County is one of 10 counties in this area being studied for inclusion in a funding application to permit resource conservation and development along lines established by Congress.

This Resource Conservation and Development program is an effort to utilize rural and urban natural resources jointly for a given area. Locally it would be under the direction of the Medina Valley Soil and Water Conservation District.

Both the City of Hondo and Medina County have appointed

### Hondo man is shooting victim

A 28-year old Hondo man has died of injuries received in an apparent accidental shooting at his home late Sunday.

A hospital spokesman at San Antonio said George Michael Bendele of 2808 Avenue G, Hondo, died early Monday morning after undergoing emergency surgery Sunday night.

Authorities said Bendele was injured when a 22-caliber weapon accidentally discharged striking him in the lower right side. The injured Bendele was able to alert his wife who was at the home of her father when the incident occurred and Mrs. Bendele called for assistance.

Bendele was rushed to Medina Memorial Hospital, and transferred to San Antonio by MAST Helicopter where he underwent surgery. Officers said they found both a 22-caliber rifle and pistol at the Bendele home and they are not sure which weapon fired the fatal shot.

An autopsy was ordered by Justice of the Peace Harold Herring, results of which are still pending as of Wednesday afternoon.

Investigation continues into the incident.

ed members to the County Committee. Bud Gwartyne represents the City and recently the Medina County Commissioners Court appointed Harold Stiegler as County representative.

In the resolution appointing Stiegler, Commissioners Court agreed to become a sponsor of the RC&D program in the County as part of the Alamo Area Council of Governments.

"The Court recognizes the need for the preparation of an orderly plan for the wise use and development of the natural resources in this region," Judge Jerome Decker said. "And the Court felt that Harold Stiegler would be an excellent representative."

For each county in the region, the County committee will have to provide a detailed inventory of present natural conditions from ranch

land and prime agriculture land to that requiring erosion control, wildlife inventories, water resources and needs.

This inventory has been completed by the Medina Valley Soil and Water Conservation District and Unit Conservationist E. L. Abbott says the County is ready to begin working.

Under the plans of Congress, special grants would be available in the counties identified in this analysis. Funds would be available through the Soil Conservation Service.

But these grants applications can only be sponsored by a local government. That is why the County passed its resolution to sponsor the RC&D program and name Stiegler to represent the County in all of the committee's actions.

### Wheat yield provisions to continue

The basic provisions for proven wheat yields are continued under the Agricultural Act of 1970, Floyd Smith, ASCS manager, said this week.

Wheat producers may elect to establish a yield for their farms based on actual production rather than use the yield established by the county committee on judgment basis only. The base period for establishing 1973 yields is 1969, 1970, and 1971. The farm must have

had a wheat allotment and harvested wheat acreage in each of these three years and be able to provide reliable proof of production on the harvested acres.

In order to assure consideration, a written request must be filed with the county ASC committee within 15 days from date of notification. Production data timely received will be considered before notifying producers of their official 1973 farm wheat yield.

### Jeep accident is fatal

A Jeep accident late Saturday night, July 22, caused the death of a San Antonio man on the Jesse Koch ranch south of D'Hanis.

Taken to a San Antonio hospital in critical condition, 41-year old Paul Allen English died Tuesday shortly before noon of internal injuries and a severe leg injury.

English was injured when his Jeep overturned on the

Koch ranch late Saturday night or early Sunday morning. English was thrown from the Jeep and the vehicle reportedly landed on top of him inflicting the injuries.

He was found about 8 a. m. Sunday and removed from the wreckage. English was given emergency treatment at Medina Memorial Hospital then transferred to a San Antonio hospital by MAST helicopter.

Senior League All-Stars

These 14 boys from Hondo, Sabinal, and D'Hanis represented the area in the Senior League playoffs against Atascosa County and Devine on Wednesday, Thursday and Friday. They were eliminated from the tournament in their second meeting with the Atascosa team. Shown left to right are (front row) Raul Dominguez,

Tony Muniz, Gilbert Rico, Stevie Mueller; center row, Raul Gomez, Joe Juarez, David Knowles, Alan Huser and Richard Rothe; back row, Mgr. Simon Arcos, Richard Garcia, Simon Arcos, Jr., Forest Harecka, Randall Hare, Ronnie Koch and Mgr. Sonny Schmidt.

## St. Dominic's to receive historical marker

An Official Texas Historical Marker for St. Dominic Church and Cemetery will be erected on Sunday, August 6, it was announced today by Mrs. Amos Finger of D'Hanis, chairman of the Medina County Historical Survey Committee.

The marker will be placed at D'Hanis, 1-1/2 mile east off U. S. 90 in Old D'Hanis. Dedication plans will be announced in the near future.

Made of cast aluminum with Swedish steel effect, the marker measures 18 by 28 inches and is sponsored by Rev. Victor C. Schmidt, V.F. Pastor, Holy Cross Church.

The inscription on the marker reads:  
SITE OF  
SAINT DOMINIC CATHOLIC CHURCH  
AND CEMETERY  
CONGREGATION FORMED  
IN 1847 WITH FOUNDING OF  
D'HANIS COLONY BY SETT-

TERS FROM ALSACE, FRANCE.  
IN 1853, WHEN TOWN BECAME A MISSION PARISH, Limestone Church was built, using timber hauled by ox-wagon from Medina River.

SANDSTONE EXTENSION WAS BUILT IN 1868 UPON ARRIVAL OF FIRST RESIDENT PASTOR BUT ABANDONED AFTER 1914 WHEN NEW CHURCH WAS BUILT IN "NEW" D'HANIS 1-1/2 MILES WEST).

CEMETERY, DATING FROM BURIAL OF CHILD OF COLONISTS IN 1847, WAS USED UNTIL 1893, WHEN NEW CEMETERY WAS STARTED FOLLOWING DIPHTHERIA EPIDEMIC.

The marking of local his-

toric sites and landmarks is part of the Texas State Historical Survey Committee's program of preservation activities. These include archaeological investigations, small museum consultation, and administering the National Historic Preservation Act in Texas. As of 1970 the Survey Committee had erected more than 5,000 official markers.

The name and location of the present marker will appear in the next edition of the "Guide to Official Texas Historical Markers" in order to stimulate tourist travel in this area, to arouse interest in historical tours, and to acquaint the people of this locale of their unique heritage.

## Youth rodeo starts Friday

Cowboys and Cowgirls from a 150-mile radius will gather at the Hondo Arena on July 28 and 29 for the Medina County Youth Rodeo, reports Chairman Bill Moos.

The events, which begin each night at 8 p. m., will feature 150 contestants who will compete for buckles valued at \$50. They will be awarded to event winners, and the two chosen as All Round Boy and Girl of the rodeo.

Boys' events include Bull riding, Tiedown Calf-roping, steer riding, and pole bending. Girls will compete in

pole bending, Cloverleaf barrels, and breakaway roping.

In addition to these events, calf scramble and goat-sacking events will be included on the program.

Contestants entered in the rodeo vary from 8 to 18 years old, and the only requirement is that they be school age.

Proceeds from the rodeo will go toward paying for the fine rodeo arena which Hondo enjoys today. Admission is \$1 for adults, and 50¢ for children under 12 years of age.

TALL AND SHORT OF IT

... How do you sit tall in the saddle on a Shetland? asks Lynn Moos (right) as she and big sister Paula take a joyride before the Youth Rodeo set for Friday and Saturday night. They will be among the more than one-hundred contestants who will vie for prize buckles in the young people's event. Paula and Lynn are the daughters of Mr. and Mrs. Bill Moos of Hwy. 173.

### Freak mishap injures Meyer

A Hondo man was injured in a freak accident at a Houston Horse Show over the weekend. He is Hugh Meyer, Hondo City Attorney, who was knocked to the ground by a run-away horse at the Quail Valley Horse Show in Houston.

Meyer was at the show with his daughter, Tootie, when another horse in the show apparently bolted and ran, striking Meyer and knocking him to the ground. He was taken to Methodist Hospital at Houston suffering from three broken ribs, but no additional injuries were reported. Meyer was being kept at the hospital for observation but was expected to be released shortly and be able to return to Hondo.

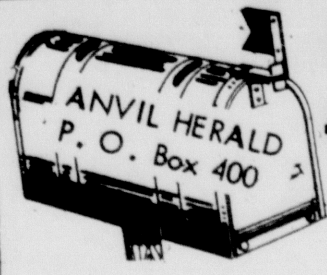

While Meyer was being injured his daughter walked off with a reserve ribbon at the show.

### Raza Unida candidate to appear

La Raza Unida gubernatorial candidate Ramsey Muniz, Lieutenant Governor candidate Alma Canales, and party founder Jose Angel Gutierrez will be at the Hondo City Park at 7:30 p. m. Thursday.

The candidates, campaigning in the area, will speak at that time.

(Editor's Note: Thank you and your department, Mrs. Lawrence. The Anvil Herald is proud to support such a worthwhile program as adoption.)

## D'Hanis Homecoming nears

D'HANIS--The 125th anniversary of the founding of Holy Cross Church will be observed here Sunday, Aug. 6, with the annual homecoming celebration in St. Dominic Hall.  
Rev. Victor Schmidtznisky, pastor, has extended an invitation to out-of-town visitors to attend the traditional all-day celebration that features a barbecue beef meal and many other attractions during the day.  
In charge of meat preparation will be a veteran team of barbecue specialists head-

ed by Chris Finger and Gene Koch. Bonnard Rothe, prominent rancher of Medina County, serves as general chairman.  
The day will begin with masses at 7 a. m. and 10 a. m. in Holy Cross Church. Dinner, consisting of meat, potato salad, slaw, beans, pickles, onions, cake and drinks, will be served from 11:30 a. m. until 2:30 p. m. There will be lunches to go for those who desire to eat in the shade of the beautiful pecan trees that surround St. Dominic Hall. All plates

will cost \$1.50.

A tamale sale will be held in the afternoon and the big day will wind up with a dance from 8 p. m. to midnight in St. Dominic Hall. Dale Keith and his Starlite Ramblers will provide music for dancing.  
During the day visitors will enjoy different types of games.

Hondo Public Library has announced extension of the Summer Reading Program to Aug. 4, 1972, in order that all those youngsters enrolled will have more time to complete and return their required 12 books.

Donors were the big story at the library this past week. Mrs. Robert McGarity, Sr. is giving a five-tray section for the card catalog in memory of her late father, V. A. Brill.

From the V. A. Brill estate, Mr. and Mrs. McGarity have also donated 62 books for our shelves, which cover a variety of categories including fiction, mysteries, non-fiction and biographies.

A few of these are Jim Bishop's "The Day Christ Died", Len Deighton's "Bomber", "Moment in Peking" by Lin Yutang, "Give a Man a Gun" by John Creasy, "The Moneyman" by Thomas B. Costain, "My Family, Right or Wrong" by John Philip Sousa III and many others.

Psychology, Philosophy

and reference books were contributed by Mr. and Mrs. Russell Masters. Among these are "Texas" by W. Benton; "Abnormal Psychology", James C. Coleman; "Biblical Faith and Social Ethics" by E. C. Gardner, and others.

From the Walter Kriewalds, the library received number of children's books. Included are "Rockets into Space", A. L. Crosby; "The Legend of Billy Blue", J. Lauritzen; Walt Disney's "One Hundred and One Dalmatians", Howard Pyle's "Robin Hood", "My Friend Flicka" by Mary O'Hara and others.

Other books, paperbacks and magazines were received from Mrs. O. M. Redus, Linda Schmidt and Mr. and Mrs. W. S. Porter.

There are still many overdue books on library records, and Mrs. Lottie Maw, Librarian, asks that these be returned as soon as possible. The bookdrop in front window of library may be used at any time for this purpose. Regular hours are 11:30 a. m. to 5:30 p. m. Monday thru Friday.

## Henry Van de Walle is "Man of Year"

COLLEGE STATION--Henry Van De Walle of San Antonio, called a Bexar County innovator, leader and trail blazer, has been named as a "Man of the Year in Texas Agriculture" for 1972 by the Texas County Agricultural Agents Association.

One of seven Texans selected for the honor, Van De Walle was nominated by the county agents in District 13 of the Texas Agricultural Extension Service.

The awards are presented annually to outstanding leaders in agriculture and related industries, reported Wichita County Agent B. T. Haws,

president of the state association. The awards also recognize these leaders' contributions to improving levels of living and economic growth in communities, counties, the state and the nation.

Van De Walle will receive his award during the association's annual meeting August 6-8, at the Hilton Inn in El Paso.

"A hardy supporter and friend of Extension programs, Van De Walle has worked in hundreds of result demonstrations and trials on his farm and ranch," said Thurman J. Kennedy, Bexar County agricultural agent. "He has also donated vital support to all educational programs for the benefit of agriculture."

Van De Walle gave outstanding leadership in organizing and developing four important functions, including the South Texas Vegetable Day Show and Exposition, Bexar County Truck Growers Association, San Antonio Produce Terminal (which

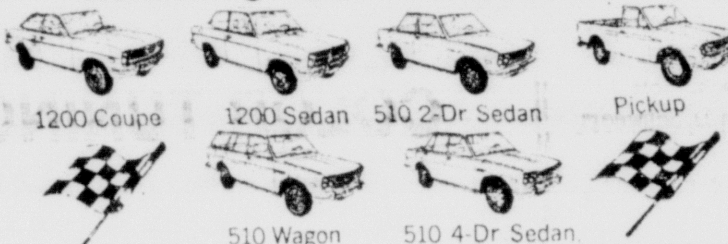

serves all of South Texas) and Alamo Soil and Water Conservation District. He also serves as chairman, president or board member of six agricultural associations and related organizations.

As president of the South Texas Sugar Beet Growers Association, Van De Walle headed a sugar beet testing program, which is the most comprehensive program of its type in the U. S.

his other contributions to agriculture include the Fort Worth Press State Award for work in soil and water conservation, San Antonio Chamber of Commerce Joe Freeman Award for outstanding service to agriculture in South Texas, and Texas 4-H Youth Development Foundation Award for special contributions to 4-H Club programs.  
The award winner is president of Van De Walle Farms, Inc. which operates 1500 acres of irrigated vegetable production in several South Texas counties, a 1000-acre ranch, and a large processing, packing and shipping operation with wholesale markets in Houston and San Antonio.

Arthur Grells and Elmer Nietenhoefers promised they would go while they were up there the past two weeks and maybe they can tell me how it tastes . . .

. . . when you make a trip like this you are thankful for credit cards every time you have to dig up, but after you return you wince at the sight of letters in your mailbox because you know "all that" will catch up with you . . .

. . . we saw enough tourists stop at various and sundry "sights" and pay good money to see them (we got "took" just like the rest of them) that it leaves one strong impression--there is no reason we can't develop some tourist attractions in the Hondo area . . . and the potential areas that come to mind--Old Fort Lincoln near D'Hanis, St. Dominic Church near D'Hanis, the dinosaur tracks on the Schmidt place toward Tarpley, the bat caves on Jake Schuehle's place near Tarpley.

Add these to our Museum, which already is "pulling them in from out of town", and you have the attractions to stop travelers and thus boost the economy with money gained from the "tourist industry".

## Troutlines removed after 90 days

AUSTIN--Troutline fishermen had better start carrying three-month calendars around in their pockets.

An angler who checks his lines after they have been set for 90 days and finds them missing shouldn't accuse his fishing buddy of pilfering.

As of July 22, Parks and Wildlife game management officers have the authority to

remove all freshwater troutlines which have been in place for over 90 days and those which are undated.

Troutlines are required by law to tag their lines with name and address of the owner and the date the line was set and to redatate them after 90 days.

The tags must be of a material at least as durable as the troutline itself.

## Tom Finger honored

D'Hanis postmaster Tom Finger was recently honored on his retirement with a surprise party at his home by several of his fellow postal workers and their spouses.

Present to express appreciation for Finger's 22 years in the post office of D'Hanis, 11 of which he served as Postmaster, were fellow Postmasters Boyd Anderson of Uvalde, former Uvalde Postmaster Less Fullenwider, Douglas McGraw of Del Rio, John Henry Muennink and former Postmaster Harry Filleman of Hondo, Syd Malone of Devine, Floyd Tondre of Castroville and San Antonio Postmaster T. E. Cox.

San Antonio Head of Personnel Clyde Bader and former District Postal Service Officer H. W. MacLaughlin also

were present along with D'Hanis postal workers Emelda Burrell and Irene Fohn.

Prior to serving in the Post Office and after a 3-year stint in the armed services, Tom played professional baseball with Texas League and other minor league teams in Texas and Louisiana, as a pitcher. Until his present illness forced his retirement, he served as a scout in this area for major league teams.

In 1950, Tom left baseball to return to his native D'Hanis with the postal service. In 1961, Alphonse Boog, D'Hanis postmaster for 41 years, retired and Tom was confirmed as Postmaster, which post he held until his retirement this summer.

He and his wife, Ann, have two daughters, Molly and Sally.

# Schott-Weynand vows said in double ring ceremony

Miss Valerie Ann Schott, daughter of Mr. and Mrs. Jack W. Schott of Devine, became the bride of Michael John Weynand, son of Mr. and Mrs. Myles M. Weynand of Hondo, on Saturday, June 10th, 1972 at 8 o'clock in the evening in a double ring ceremony.

The Nuptial Mass was solemnized by Reverend Wilfred Passchyn at St. Joseph's Catholic Church in Devine. Jim and David Weynand, brothers of the groom, served as altar boys and Nick Brizen-dine, San Antonio, served as lector. Large baskets of yellow daisies, mums, baby's breath stock and lemonwood graced the altar.

The bride, given in marriage by her father, wore a formal gown of soft candlelight silk chiffon. The bodice was covered in venise lace with buttons down the front, and the high neckline was applied with the same lace. The camelot sleeves were also appliqued in venise lace and the empire waist-line fell into soft folds to the

floor. The full court veil of candlelight illusion floated from a wreath of fresh flowers including baby's breath and stephanotis. She carried a bouquet of the same flowers.

Miss Sharon Popp of San Antonio was maid of honor. Bridesmaids were Miss Vicki Tilley, Devine, Miss Sherry Gillen, Lampasas, Miss Sherri Weynand, Hondo, sister of the groom, Miss Vicki Wallace, Devine, and Miss Sybilla Irwin of Atascosa.

They wore formal-length ensembles of navy and yellow plaid seersucker skirts and yellow ruffled blouses with yellow picture hats and navy accessories. They carried bunches of yellow and white daisies with navy streamers.

Mitch Weynand, Hondo, served as his brother's best man. Groomsmen were Larry Kana, Houston, Mark Schott, brother of the bride, Albert Haegelin, Jan Bertholf, all of Austin, and Glenn Garrison of Hondo.

Ushers were Tom Richter,

Houston, John Zinsmeyer, D' Hanis, Jack K. Schott, brother of the bride, Devine, and Walter Bendele of Hondo.

Henry Martin Finger, Hondo, and Miss Sally Moeller, San Marcos, soloist, were accompanied on the organ by Mrs. Evelyn Boone.

Following the ceremony, a reception was held in the Parish Hall. Members of the house party were Mrs. Lee Zickefoose, Beaumont, Miss Brenda Russell, Fort Worth, Mrs. Tami Shaw, San Antonio, Miss Dana Long, San Antonio, Miss Jo Ann Neese, Raymondville, Mrs. Roger Calk of Corpus Christi, and Miss Sharon Miller of Austin. The bride's book was attended by Mrs. Bill Wallace.

The tables, laid with sheer white daisy flocked cloths and underlined in yellow, held the tiered wedding cake festooned with yellow daisies and a ham buffet. Champagne was served from a fountain. Bob Allen, Devine, entertained with organ music during the reception.

After a wedding trip to Mexico City the couple is at home at College Station, Texas.

## REHEARSAL SUPPER

A rehearsal supper for the wedding party and guests was held at the Hermann Sons Steak House by Mr. and Mrs. Myles Weynand.

Present at the affair were the bride and groom, their parents and grandparents, groomsmen and ushers, bridesmaids and their guests. Mike presented the ushers and groomsmen with gifts at the supper.

Mr. & Mrs. John Michael Weynand

## Hermann Sons add members

## One Very Important Reason For Having A C & C Water Conditioner...

You want to be as tender and protective of your little ones as possible. That's one very important reason for installing a C & C WATER CONDITIONER in your home. The soft water provided by a C & C WATER CONDITIONER is gentle and non-irritating to baby's tender skin... Your baby is less likely to develop uncomfortable diaper rash.

Not only will baby's soft skin stay that way but Mom's hands, too, will be softer and younger looking.

## Two Grandmas enjoy visit to children in Alaska

Returning recently from a month-long vacation was Mrs. Irene Wernette of Yancy Star Route, Hondo.

The first leg of the journey took Mrs. Wernette and Mrs. Lillian Heyen of Hondo (via "our airways") to Houston, Seattle, Fairbanks, Alaska and Eielson AFB where S/Sgt. and Mrs. Kenneth Heyen are making their home while he serves his tour of duty there.

Both grandmas were happy to get acquainted with their granddaughter, Jodi Lyn, who was born last Dec. 1. Needless to say, her brothers, Ronny, Scott and John-John, were happy to see their grandmas too.

Mrs. Wernette said, "It's some feeling to step off the

plane at 11 p. m. into daylight! We simply forgot about sleep not retiring until four or five a. m. Then we would just draw the dark window shades and pretend it was night." Having only two weeks to visit, there was so much to see and do, no one wanted to take time to sleep.

A highlight during the visit was a motor trip to Mt. McKinley National Park, highest point in the U.S.A. Also visited were the North Pole and Santa's house, Alaska Museum, Alaskanland, downtown Fairbanks, and China and Birch Lakes.

Central Alaska with its majestic tall trees and rushing streams and snow-topped mountains with little home-steaders cabins dotting the countryside, seems to take one back to our own "covered-wagon pioneering days in the 'Lower 48', as the Alaskan Sourdough says." Mrs. Marilyn Heyen said it gets pretty rough there in the winter time with deep snow and temperatures reaching -60 degrees.

After a good flight back to San Antonio Mrs. Heyen returned to her home in Hondo while Mrs. Wernette went to Cibola to join S/Sgt. and Mrs. Lynn Davis and family. Mrs. Davis is the former Barbara Wernette. She then accompanied the Davises on a motor trip to North Carolina for a nice visit with relatives.

The trip took them through the states of Arkansas, Mississippi, Alabama, Tennessee and North Carolina. On their fourth day, July 4th holiday weekend, Mrs. Wernette, the Lynn Davises and brother, Billy Davis and his family, drove to Emerald Isle on Bogue Sound on the Atlantic Coast.

They enjoyed camping, sunning and swimming at the beach and also visited old Ft. Macon and Atlantic Beach. Of special interest on the trip was the drive through the Great Smokey Mountains and a visit to the Cherokee Indian Reservation.

"It's a beautiful country we live in," said Mrs. Wernette, "but it's nice to be back home."

## Sylvia Ytuarte is bride of Johnnie Morales

Miss Sylvia Ytuarte became the bride of Johnnie Morales on July 22, 1972 in St. John's Catholic Church, Rev. George Steubben officiating.

Mr. and Mrs. Angel Ytuarte are parents of the bride. The groom is the son of Pete C. Morales, Sr. and Mrs. Janie Palacios of Kerrville. Mrs. Eloisa Barrios was matron of honor and Miss Mary Esther Ytuarte, sister of the bride, was maid of honor. Bridesmaids were Mrs. Roy Palacios, Mrs. Ramiro Miranda, Mrs. Mario

Garcia and Mrs. Willie Reyes, Della Garza and Alma Ybarra were junior bridesmaids. Cynthia Mendoza was flower girl.

Serving as best man was Efrain Barrios. Groomsmen were Roy Palacios, Ramiro Miranda, Mario Garcia and Willie Reyes. Richard Dominguez and Fernie Rodriguez escorted the junior bridesmaids. Steve Santos, nephew of the groom, was ringbearer.

The reception and dance were held at the National Guard Armory following the ceremony.

## Young Homemakers meet

The Hondo Young Homemakers met in the Home-making Department on July 18th for their regular meeting. The Rev. George Steubben, St. John's Catholic Church, spoke on the religious role of wife and mother in the home.

Library Hour, sponsored by the Young Homemakers, was hailed as a success and will be continued next summer. President Linda Schmidt announced a special meeting on Aug. 8, 8 p. m. to work on the entry form for Outstanding Chapter for Area VII.

Mrs. Dora Mae Faeffer and Mrs. Doris Saathoff were among the 55 women who attended the two-day seminar held in San Marcos.

## Mogfords enjoy trip

Mr. and Mrs. Doug Mogford and sons, Jay and Jon, spent three days in Niagara Falls, Ontario, Canada, for the 1972 All-Star meeting compliments of Southern Farm Bureau Life Insurance Company.

One of the sights toured in Niagara was the scenic tunnel falls behind Horseshoe Falls. The Mogfords were able to view the nightly illumination of the American and Canadian falls from the balcony of their hotel room.

One of the stops on the way to Niagara was Cincinnati, Ohio, where they visited King's Island, an entertainment park.

While traveling on I-71 in Ohio, the Mogfords crossed Medina County, which they found local residents pronounce with a long I. On the way home, time was taken to view six states from atop Lookout Mountain in Chattanooga, Tennessee. Both Jay and Jon inspected all the cannons.

## Social Security News

There is no age limit for the payment of social security taxes, but all workers, regardless of their age, pay the tax on their covered earnings. This reminder comes from Roy L. Swift, district manager, of the San Antonio district office of the Social Security Administration.

"It makes no difference that a worker may be over age 65, or over 72, or receiving social security insurance payments," Swift explained. "Social security taxes are payable if a worker is paid covered wages of any amount, or has covered in-

come of \$400 or more from his own business in a year." Wages paid to the spouse, or child under age 21, by an individual employer, are not covered by social security, and should not be reported, Swift pointed out; however, the wages of a parent who works in the business of his son or daughter are covered but not if the parent works in his child's home.

For further information see your social security representative when he is in your area. Your representative will be in Hondo at the City Hall at 8:45 a. m. Monday, August 7th.

Uvalde pitcher Joe Sansom appeared to be following the pattern of his teammate Bozo Alderson (who had earlier no-hit the Devine All-Stars) as he held the Hondo team scoreless on only four hits until the top of the sixth and last inning. But with two out, a walk and an interference call put runners on first and second. Mike Rowlett then strode to the plate and lashed a double past shortstop to score the only Hondo runs of the game. Randy Graff, the next batter, reached first base with a single, but both he and Rowlett were left stranded as the game ended with the next batter grounding out.

Jerry Escamilla started for Hondo-D'Hanis, and Kenny Rothe relieved him, but neither could hold the Uvalde All-Stars, who now will compete with the Junction All-Stars, who defeated Bandera 12-4. The Hondo area team is coached by Milton Renken and Jimmy Palacios.

**Senior League All-Stars end season**

The Hondo-D'Hanis-Sabinal Senior League All-Stars had their last hopes for a championship dashed Friday night as they were beaten for the second time by the Atascosa All-Stars of the Pleasanton area. The score was 8-0.

Earlier, on Wednesday evening, July 19, they entertained the Atascosa County team for the first game. Atascosa had beaten Devine earlier, and that night they also dispatched Hondo by the score of 5-2. Hondo gathered only three hits in the contest, which saw pitchers of both teams plagued with control trouble. Hondo scores were made by David Knowles, who walked in the first inning and scored on Richard Garcia's double; and Simon Arcos Jr., who was hit by a pitch, walked all the way to third, then scored on a passed ball. Simon Arcos, Jr. was the losing pitcher of the first game.

Since the Senior League playoffs are a double-elimination, tournament, Hondo had a second chance, and they took advantage of it as

they outscored Devine by 11-6 the next night, Thursday. The winning pitcher of that game was Gilbert Rico. He was relieved by Steve Mueller.

In the rematch with Atascosa County Friday night in Pleasanton, the Hondo team was decisively defeated 8-0.

**Organic Gardening**

An article by Yancey Russell of Rt. 1, Natalia, urging organic gardeners and farmers to help the news media cope with the growing interest in organic living, has been published in the July issue of ORGANIC GARDENING AND FARMING MAGAZINE.

Organic growers should contribute information to the media about their most interesting and unusual methods and products, writes Russell in his article "Public Relations for Organic Gardeners". He cites editors, talk show hosts, politicians, agricultural fairs and civic groups as potential channels for bringing to the public the message of organic gardening and biological control. Russell asks that organic gardeners take the trouble to get acquainted with some of these people and fill the "information gap". An example of this gap prevails among farm and garden editors, says the author--most of the stories they receive are from agricultural colleges and various branches of the U. S. Department of Agriculture.

and finally eliminated from the tournament. Losing pitcher for the Hondo-D'Hanis-Sabinal team was Randall Hare. He and Tony Muniz shared the hurling duties for the All-Stars in the final game. The Senior League All-Stars are led by Managers Simon Arcos, Sr. and Sonny Schmidt.

sources that are primarily chemically-oriented. An appearance on a radio or television talk show is a good opportunity to discuss one's organic gardening activities, Russell points out, but he cautions gardeners that they must be prepared for all kinds of questions, particularly if the program opens its phone lines to listeners.

**Owl Coaches start school early**

The entire football coaching staff of Hondo High School will be in Houston from Sunday, July 30, through the following Thursday night, to attend the 40th session of the Texas High School Coaches Association Coaching School.

Highlights of the school will include the Aug. 2 annual all-star basketball game at Hofheinz Pavilion on the University of Houston campus and the Aug. 3 all-star football game in the Astrodome.

**District 28AA Magazine is here**

The District 28-AA Football Magazine hit the newsstands on Thursday, July 20, with some good news for Hondo Owl fans. The Owls were picked to win the district crown by all seven of the coaches in 28-AA. The magazine is published by Football Publications, Devine, Texas, in cooperation with coaching staffs in Dist. 28-AA.

In a poll of coaches taken by the magazine, in which a first place vote counted seven points, a second place six, and a third place five points on down to one point for a seventh place prediction, Hondo scored a perfect 49 points among the seven coaching staffs.

Pearnell, which finished 7-3 last year after two miserable years, received 39 points, for a second place vote. The Mavericks are followed in order by Devine, Carrizo Springs, Medina Valley, Cotulla and Dilley.

Dilley, of course, is a new face in the district this year, having just moved up to two-A status. They bring impressive credentials for their freshman season--like an 8-2 record last year--but, as the magazine says, the jump from class A to class AA is a big one, and the Wolves lost seven offensive and nine defensive starters to graduation last spring. But tradition is the thing, and tradition-making starts with the first season. Dilley will be in there all the way to their season-ending game against the Owls.

Ah, yes; the Owls. "Hondo Loaded Again", says the

headline, and the article hints that they will be even stronger than last year's powerhouse. But it's all there in the magazine, and

the magazine is priced right. It's free, at various merchants around Hondo, and wait till you see the cover.

**S. Texas All Stars defeated**

The South Texas All-Stars were defeated by the San Antonio All-Stars by an 8-1 margin, the 11th defeat in 12 years. Last year, the South Texas team defeated a tough San Antonio team 5-4 in twelve innings.

The South Texans included several Castroville, LaCoste and Hondo players. Among the All-Stars were Maxie Groff, Wayne Iltis, Glenn Keller, Roger Boehme,

and Glynn Tschirhart, all of Castroville; Steve Keller and Mark Lagleder of LaCoste and Juan Miranda of Hondo. They are among the 27 amateur baseball players chosen to represent the area reaching from Victoria, to New Braunfels, Eagle Pass, and Pleasanton.

Miranda hit a double in the game and Roger Boehme had a single and his credit.

**Recreation News**

Today (Thursday) is the last day of the Summer Recreation Program sponsored by the City of Hondo. Approximately 3,300 children (102 average per day) attended during the past seven weeks. Trophies were awarded today to the boy and girl in each age group winning the most points from ribbons won from each of the 8 tournaments held.

**Texas Doves dodge twice**

AUSTIN--Texas dove hunters with frostbite? Unheard of!

Until this season, Texas dove hunters were more prone to heat prostration or rattlesnake bite.

But recent action by the Texas Parks and Wildlife Commission split the mourning dove season, making a portion of it in September, and the remainder in January when the cold winds blow.

The North Zone season will be Sept. 1 through Oct. 14, 1972, and Jan. 6-21, 1973.

In the South Zone the season will be Sept. 23 through Nov. 5, 1972, and Jan. 6 through Jan. 21, 1973, except that in counties having an open season for white-winged doves, the open season for mourning doves ends Nov. 2 during the fall segment of the season.

Department biologists stress the split season is just an experiment to see if the late season will result in additional recreation without unduly increasing the overall harvest of doves. They will keep a close eye on the results to see if late dove hunting in Texas might affect the breeding populations of other species.

Hunters have long been interested in such a season because of the many doves present in Texas during the winter months, according to department officials.

Biologists called for the experimental season this year because they now have the means to evaluate the effects of a split season, whereas in the past sources of the information needed were not available.

**Permian Pigs protected**

Recent Texas Parks and Wildlife Commission rulings set a Sept. 1, 1972, through Jan. 31, 1973, javelina season in the Permian Basin with a bag limit of two.

The Permian Basin previously had a year-round open season on javelina and no bag limit.

"Javelina are taking hunting pressure in this area,"

said Horace Gore, department wildlife specialist, "above that which they can stand without damage to the population."

Hunting pressure on javelina in the Permian Basin is increasing because of more hunters and more hunting leases.

Counties affected by the ruling which took effect Ju-

ly 22 are Andrews, Borden, Cochran, Coke, Concho, Crosby, Dawson, Ector, Fisher, Gaines, Garza, Glasscock, Haskell, Hockley, Howard, Irion, Jones, Kent, Knox, Lubbock, Lynn, Martin, Midland, Mitchell, Nolan, Reagan, Runnels, Scurry, Sterling, Stonewall, Taylor, Terry, Tom Green, Upton, Ward and Yoakum.

## Texas Folklife Festival

San Antonio, the fiesta city, takes on a new international look when the U. T. Institute of Texan Cultures stages the grand-daddy of all celebrations, the first annual Texas Folklife Festival, Sept. 7-10.

The festival will offer a smorgasbord of festivals from every area of the state and, according to O. T. Baker, manager of the event, representatives from 15 festivals have already been booked for the Folklife show.

The festival will be held on the Institute's grounds at Hemisfair Plaza and will feature fun events and activities that range from champion watermelon seed spitters to crawfish races, from toe-tappin' Cajun bands to top cow-callers.

The state-wide celebration will feature such talented performers and events as:

Andrew Cormier's foot stompin' Cajun Band, representing the Cajun Festival and Texas Champion Crawfish Races, Port Arthur. The Cajuns will prepare and serve a complete menu based on crawfish and will hold crawfish peeling and eating contests plus crawfish races.

Albert (Beto) Garcia's Jazz Band from the sparkling city by the sea, Corpus Christi, will represent Bucaanier Days.

Chief Fulton Battise and his trio of Indian Gospel singers from the Alabama-Coushatta reservation in Livingston plus the Tiguanas of Ysleta near El Paso are scheduled. They will perform ceremonial dances and compete in games to be held daily in the newly constructed Indian area of the Institute.

Winners of the 23rd annual National Cow Calling Contest and Pioneer Roundup at Miami will demonstrate their champion cow calling skills.

The Champion Watermelon Seed Spitters of Luling issue an open challenge to visitors to the Texas Folklife Festival to enter a preliminary elimination contest in San Antonio Thursday, Sept. 7th. A challenge is being issued to the World Watermelon Seed Spitting Champion in Hope, Ark., to a World Championship Spitoff match Friday night, Sept. 8th.

The Chillympiad Festival, San Marcos, will host a display of the ingredients for chili, prepare and serve "Bowls of Red" under the watchful eye of Chili Humorist Wick Fowler of Austin.

The Champion Beseda dancers from the Czechfest,

New Braunfels, will feature young boys and girls of Czech descent, in colorful costume, executing intricate steps of dances of ancient Czechoslovakia.

The Sokol, precision gymnastic team from the Czech Polka Festival, Ennis, will perform.

The Dogwood Festival, Woodville, is sending 80-year-old Juthro Holmes and his Oxen to demonstrate the frontier art of snaking and stacking logs in the special Log House Raising section, under the direction of Arnold Griffin, Devine.

The Easter Fires Pageant, Fredericksburg, is sending a sampler to portray the story of their historic past. The Easter Fires Pageant has been held for over 20 years with a cast of over 600 and is sponsored by the Gillespie County Fair Association and their Historical Society.

Five Roaring Twenty Flappers and four Jelly Beans, otherwise known as the Roaring 20's group from the Fox Hunt Follies, Center, will do the Charleston, Shimmy and other whoopee-making comedy. The act will be introduced by famous houndsman Hinkle Shillings with the accompaniment of 15 East Texas hunting hounds.

The Fort Griffin Fandangle of Albany sampler will present the giant outdoor spectacle of Indians, cowboys, settlers, saloon girls, buffalo hunters, desperadoes and cavalry men of the Texas Prairie Saturday, Sept. 9th.

Mexican-Texan groups, under the sponsorship of the Conservation Society of San Antonio, will present a "Night in Old San Antonio" cooking traditional Mexican foods, performing dances and exhibiting arts and crafts, which may be purchased at the festival. Noted sculptor Jim De Leon of Victoria will demonstrate his art.

Champion bakers selected at the October Yamboree in Gilmer will prepare their famous pies and custards and offer them for sale.

Truckloads of Galveston beach sand, colorful beach umbrellas, a few palm trees and sea shells will be the backdrop for a sparkling Sand Castle Building Contest representing the Shrimp Festival, Galveston. Chilled Galveston shrimp may be purchased.

Manager Baker, with a wry grin, comments: "And this is just the beginning--the Texas Folklife Festival is where it's all going to happen, Sept. 7-10."

Hold it right there

PFC Blaine Schorp of Pleasanton, left, and SP5 Clyde Earl Howell, Devine, of MP Platoon, Headquarters Company, 36th Infantry Brigade perform a routine check during the annual training at North Fort Hood, Texas. The driver, Sgt. John Nar-

ramore of Devine, is providing proof of military drivers license to the two MP's. The MP Platoon is a Hondo-based unit. Narramore is a DPS patrolman in Devine, and Howell is a deputy sheriff, also in Devine.

## Farm Bureau to co-sponsor firemen at A&M training

Medina County Farm Bureau helped the City of Hondo co-sponsor Jesse A. Hutto and A. T. Dale, Jr., Hondo volunteer firemen, to the 43rd annual Texas firemen's training school July 16-21 at Texas A&M University, R. A. Rodgers of Dunlay, president of the local farm organization, said last week.

The local county Farm Bureau and the Texas Farm Bureau Insurance Companies of Waco provide most of the money for registration fees, room and board with each volunteer fireman paying a nominal fee. County Farm Bureaus across the state help sponsor approximately 100 firemen at the six-day training school.

"Farm Bureau is glad to participate in such a worthwhile program because the

skills learned in the training school help hold down property losses and injuries due to fires," the county president said. He added that Farm Bureau also has a continuing program which pays \$75 to a fire department when the department fights a fire on a Farm Bureau-insured's property in a rural area.

The annual firemen's training school at College Station attracted some 3,000 men engaged in fire prevention, control and safety, from municipalities, industries, and armed services, representing more than 700 cities from approximately 40 states and 20 countries. The Farm Bureau has been sponsoring volunteer firemen from rural areas to the school for the past nine years.

Practically all of the

training, except fire prevention and administrative procedures, will consist of field operations with apparatus and equipment.

The Texas Farm Bureau has two special conferences planned for those rural firemen sponsored by county Farm Bureaus.

Hondo High School's two Vocational Agriculture teachers, J. D. Schmidt and John McAnelly, will attend three In-Service workshops during this week. The work-

shops are provided by the Texas Educational Agency, especially for ag teachers. Schmidt will attend a 2-day workshop at Eagle Pass on cattle grading, then an-

other 2-day workshop in Uvalde on wiring of electric motors and trouble shooting of electrical problems.

McAnelly will attend an In-Service meeting in Austin on Cooperative part-time training for vocational agriculture students. At present there are 17 students enrolled for classes in Cooperative Part-time training in Hondo for the coming school year.

During the statewide conference of vocational agriculture teachers, held in Ft. Worth August 1-4, there will be two afternoon sessions given to In-Service workshop studies. Each teacher will be expected to attend four of the sessions while in Ft. Worth.

### 14 attend state FFA meet

Fourteen Hondo FFA members attended the State FFA Convention held in Dallas last week. The boys were accompanied by Vocational Agriculture teachers, J. D. Schmidt and John McAnelly.

Eight of the Hondo boys were recognized during the convention program. Seven received their State Farmer Degree, and Louis Schmidt was recognized as Star Chapter Farmer of Area VII. Wayne Stein, a 1972 graduate of Hondo High School, received the Santa Fe Railroad Scholarship award of \$500, which he will use at Texas A&M this fall.

Those attending from Hondo were: Wayne Stein, Kenny Weyand, Jeff Hillsher, Louis Schmidt, Frank Aelvoet, Alan Martin, Larry

McWilliams, Jimmy Jordan, Gene McAnelly, Gary Saathoff, Tim Hardt, Gary Walch, Mike Nester, and Duane McCartney.

Although Hondo sent an all-male group to the convention, there were a number of FFA girls at the Convention this year, and one school sent three girls as voting delegates.

### Union Stockyards slates sale

The next Special Stocker Feeder Cattle Show and Sale will be held at Union Stock Yards, Thursday, August 3rd. This Special Stocker Sale will feature Herefords, Angus and Crossbred Cattle which be shown in Heifer and Steer Classes in Lots of 10, 20, and 40.

However, cattle need not be shown for awards to enter this sale.

Many shippers have requested that the Stock Yards announce the future sales that will be held this year. Other sale schedules for the coming months are: Sept. 7, Oct. 5 and Nov. 9, 1972.

### Schmidt, KRME receive awards

J. D. Schmidt, Vocational Agriculture teacher from Hondo, will receive his 10-year tenure award at the Annual Association and Texas Education In-Service Meeting of Vocational Agriculture Teachers, August 1-4, in Ft. Worth.

Schmidt will also be honored for his outstanding work with radio. Jim Fiddle, Manager of Radio Station KRME in Hondo, will accept one of nine awards given to Texas radio stations for cooperation with Vocational Agriculture projects.

### Five area students receive A&M degrees

COLLEGE STATION--Five Hondo area students were among the record 1,870 candidates for spring graduation at Texas A&M University, announced Registrar Robert A. Lacey.

G. Garrison of Tarpley Road, animal science; Albert L. Haegelin, 2507 Ave. K, marketing; Charles A. Manire, Lytle Star Route, LaCoste, veterinary medicine; Lyle N. Riff, Yancey Star Route, chemical engineering; and Bernard Melvin Weyand, D'Hanis, wildlife science.

### Gene McAnelly attends FFA camp

Gene McAnelly of the Hondo FFA Chapter attended the State Range Camp at Junction last week. The Medina Valley Soil Conservation District provided the fee for one boy from the Soil Conservation District. An alternate, McAnelly was given the opportunity to attend when Rich-

ard Rothe of D'Hanis was unable to go.

The 32 FFA and 4-H boys attending this week-long camp are housed at the Texas Tech summer campus near Junction. The study covered many phases of range management, with field trips to area ranches as well as recreational activities.

## Nester at FFA camp

The eighteenth annual Range Camp for outstanding 4-H and FFA boys of Texas Opened Sunday, July 16, with registration at the Texas Tech Center near Junction. The camp was sponsored by the Texas Section, Society for Range Management.

Attending from the D\*Hanis FFA Chapter was Joseph Nester son of Mr. and Mrs. John J. Nester. He was sponsored by the Medina County Soil Conservation District.

Joseph was selected on the basis of outstanding FFA work and interest in range management.

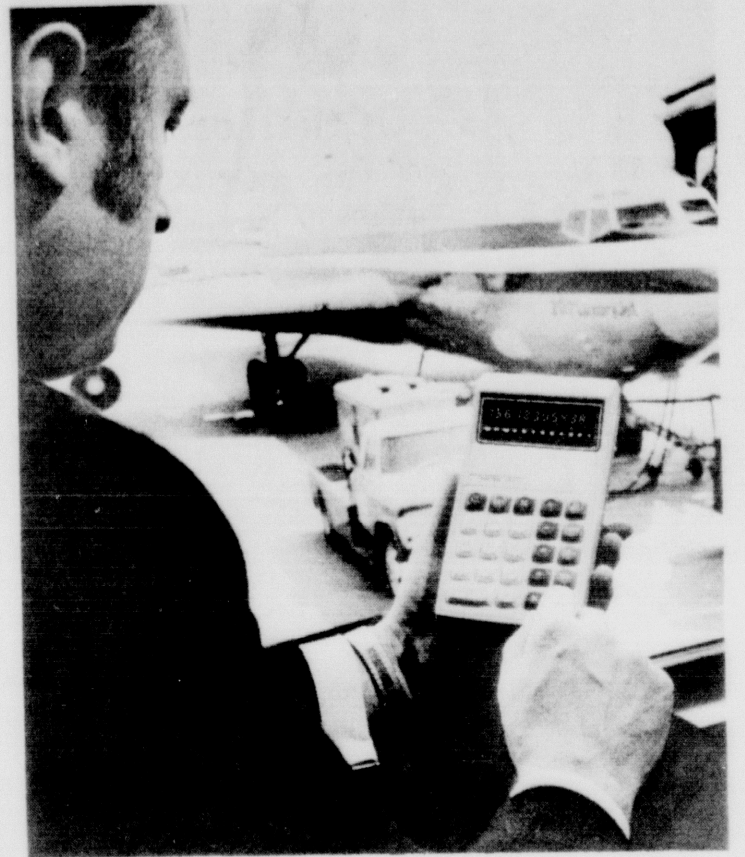

The week-long camp provided study in judging range conditions, wildlife management, ranch planning, and field trips to Edwards County Ranch and the Texas A&M University Research Station at Sonora.

The camp concluded Saturday, July 22, when Bruce Foster of Hondo, President of the Texas Section, Society for Range Management, presented awards to distinguished campers.

## Here in Hondo

Mr. and Mrs. Walt Egger and sons, Keith and David, of White Sulphur Springs, New York visited Mr. and Mrs. Wilkes Wiemers for several weeks. While here, they were entertained by various relatives and with a barbecue by Mr. and Mrs. Wiemers on July 8th at the New Fountain United Methodist Church.

## Heavy duty calculator is compact

A tiny intelligent battery-operated electronic calculator that fits into a coat pocket or attache case is being introduced this week by G. E. (Pete) Pedroza of the Anvil Office Equipment.

Victor Comptometer Corporation's 20-ounce MEC serves as a heavy-duty office calculator or lightweight traveler, according to Pedroza.

One model has a memory that stores and accumulates negative and positive results, he said.

"The MECs figure more complicated problems than traditional hand-held calculators," Pedroza stated.

Besides performing the four arithmetic functions, percentages are figured automatically and numbers are selectively rounded off with a choice of nine decimal settings. If the 12-figure capacity on the single plane display is exceeded, the least important figures are dropped.

The MEC/1 costs \$279 and the MEC/2, \$319.
